Cosmetic Dentistry:

Creating Beautiful Smiles all over WNY

By Bob Silvestri

Do you lack the confidence of a winning smile? Is the appearance of your teeth embarrassing to you? Then perhaps esthetic or cosmetic dentistry is the solution for you. Once thought of as only for the rich or famous, esthetic dentistry can now give everyone a healthy attractive smile. The office of Dr. Robert Yetto DDS is the leader in turning your dental problem into a beautiful smile.

Dr Yetto has been practicing dentistry since 1983 the year he graduated from the acclaimed SUNY @ Buffalo School of Dental Medicine and immediately focused on the art of dental esthetics. He acquired sole ownership of the practice in 1992 and has since accumulated over 1000 hours of postgraduate education including a two-year cosmetic dentistry program at SUNY@ Buffalo. He was invited to join the Esthetic Dentistry Education Center at SUNY@ Buffalo where he continues to contribute to the school as a clinical instructor in the art of adhesive dentistry techniques. In December '01, Dr. Yetto was in the first class of only ten dentists in the United States and Canada to be granted a Certificate of Proficiency in Esthetic Dentistry from the Esthetic Dentistry Education Center at SUNY@ Buffalo. He is also recognized as a member of the American Dental Association, the New York State Dental Society, and the American Academy of Cosmetic Dentistry. His highly trained and knowledgeable staff also has the experience and commitment to each of their patients needs. Dr. Yetto and his staff give you the comfort of knowing their dedication will give you the results you desire.

His modern state of the art office, centrally located in Williamsville, can provide a wide range of services to meet your needs. Whether whitening your smile or closing those gaps between your teeth, Dr. Yetto has a solution for you. Porcelain veneers, composite bonding, bridges and natural colored fillings are all ways Dr. Yetto can give you the confidence of a healthy attractive smile.

A "Smile Makeover" can have an impact on your life and allow you to make the impression you want. Why hide behind that ugly smile, call Dr. Yetto for your smile analysis. His friendly staff can also educate you on other new technologies available to you.
